New! Ceramic Precision Cutter

With **slice™** Precision Cutter, you can cut just about anything with a never-rust, ceramic blade that lasts longer than steel and stays SHARP. Complex shapes? Intricate designs? Cardstock, poster-board? No problem. Precision Cutter is there for you. With its soft-touch grip, **slice™** Precision Cutter is the best thing since, well, since sliced bread. **Simple. Sharp. Safe.**

Karim Rashid's contribution
 Created for slice by famed designer Karim Rashid. His work has been exhibited at the Museum of Modern Art in New York and the British Design Museum in London.
