

Tech-No-Tear Envelopes

Tear and Moisture-Resistant!

Durable envelopes featuring a poly coating for superior moisture and tear-resistance.

Poly/paper material makes envelopes less flexible, allowing easier insertion of contents. Convenient Redi-Strip™ closure requires no moisture to seal. 100 per box.

Paper-side-out allows envelope to be written on, printed, and imprinted with postage meter.

Poly-side-out gives a high gloss exterior finish for enhanced envelope appearance to get mail noticed.
